CLEANING AND MAINTENANCE

Ensure that extension wires and power input cables are not connected while the light fixture is switched on. Always turn off the power before performing any cleaning. It is recommended to wear gloves and use a dry, lint-free cloth to gently clean the fixture. Avoid the use of chemical or corrosive cleaning agents.

WARRANTY INFORMATION

We warrant the product against defects in materials and workmanship, under ordinary consumer use, on delivery and for a period of 24 months from the date of delivery. The warranty does not cover damage caused by human factors, accident, misuse of the product, unauthorized alteration to or change of parts or components of the product, act of God or problems of power supply. No warranty is offered for products which have gone beyond the period of warranty. If the product proves defective during the warranty period, we will ask you to follow the instructions for returning the product that we will provide you with, and we will take one of the following actions: (1) Replace the product with one that is the same or equivalent to the product you purchased; (2) Repair the product; (3) Refund to you the whole or part of the purchase price of the product. Due to product advancement and product availability, the replacement product may differ slightly and may have a lower selling price from the original product you purchased.
